

vivjoa

(oteseconazole capsules)
150 mg per capsule, for oral use

Life Uninterrupted

 **vitaCare**
PRESCRIPTION SERVICES

FROM

GoodRx

My VIVJOA Support Program

What to expect after your VIVJOA[®] prescription has been sent to vitaCareSM by your healthcare provider.

1

Text message from vitaCare

You will receive a text from vitaCare when your prescription is received.

2

Phone call to vitaCare

Call vitaCare at **833-873-6300** to process your prescription and answer any questions you may have, or vitaCare will call you to assist you through the process.

3

Coverage and savings

Your customer care advocate will verify your insurance coverage and out-of-pocket cost.

If you're eligible, they'll help you enroll in the My VIVJOA Savings Program.

4

Convenience

You can choose free home delivery or in-network pharmacy pick up if available in your area.

Have questions?

The vitaCareSM team of customer care advocates and licensed pharmacists are available to assist you throughout the prescription process.

It's important you maintain communication with your vitaCare customer care advocate so you can receive your VIVJOA[®] prescription as soon as possible.
